

The Hayfield School Sixth Form Learning to Drive

The school has no objection to students taking driving lessons in their non-teaching periods or lunch hour as long as they inform their Year Tutor so that we know when students are off site.

Once students have passed their driving test, they are permitted to bring a car to park on site in the sixth form car park.

However, the following health and safety regulations must be obeyed and students must:

- Observe a 5 mph speed limit and drive with care
- Not drive off site during the school day (8.45 am – 3.15 pm)
- Ensure their car is insured
- Register their car with Mrs Hirst

If students give cause for concern in using the car park, they may have the privilege of parking on site withdrawn.

Whilst we provide parking on site, the school cannot accept any responsibility for any loss or damage to vehicles parked.
