
The Hayfield School Policy Statement: ADMISSION - 2011 - 2012

The Hayfield School administers admissions in such a way as to reflect and have due regard to:

- (a) Statutory Calculation related to the size of the building. It is these calculations, which indicate the pupil admission limit for each year group. This is currently at 180 pupils per year group (Years 7–11)
- (b) Local and historical practice of giving priority where possible to pupils residing within the formal catchment area of the school, as defined by the collective catchment of Pyramid schools.
- (c) The admissions code currently in force (operative from 10th February 2009)
- (d) Advice and guidance as appropriate from the local Admissions Forum established under the above code and the DCSF.

CO-ORDINATION OF ADMISSION ARRANGEMENTS FOR YEAR 7 SEPTEMBER ENTRY ONLY

Under the Statutory Admissions Code referred to in (c) above the school, in line with all other schools in Doncaster and the surrounding area will be subject to Co-Ordination of Admission Arrangements by Doncaster LA.

This in effect means that parents will be allowed to complete only one application form for admissions and on that form they will be allowed to express up to three preferences for the school of their choice.

Parents should note that The Hayfield School Admissions Committee will deal with any application forms on the basis of all preferences being treated as equal. This means that all application forms, which name The Hayfield School, irrespective of preference, will be considered when deciding places to be offered.

In the event of the Pupil Admission Limit being exceeded the Over-subscription Criteria will be applied to all applications.

All applicants should note that once criteria related data has been sent to the LA (i.e. by the end of the second school week in December) the address on the original application form will be the one used for the basis of all decisions.

All application forms should be submitted to the LA. The LA will in turn forward the forms to the relevant Admissions Authorities for consideration.

APPLICATION FOR ADMISSION: IN YEAR APPLICATIONS

Applications for admission are co-ordinated by the LA and considered by the Admissions Committee of the school made up from members of the Governing body. Applications are invited from any parent or guardian who should note the following:-

- The school is non-selective. The school accepts applications on behalf of any pupil and admits pupils on roll without reference to ability, aptitude, or religion.
- The pupil admissions limit into any one year group (Years 7 to 11) is 180 pupils in order to form a six form entry school (i.e six tutor groups per year). This limit is set by statutory calculations already referred to in (a) above.
- Prior to formal meetings of the Admissions Committee the school reserves the right to check the details on any application form and ask for any necessary evidence to support the application in order to deter fraudulent or misleading applications.
- After due consideration offers of a place or refusals will be sent in writing to applicants as soon as possible:
 - The offer of a place will be on the basis of a strict time limit for acceptance (usually 14 days) or the offer may be withdrawn.
 - The offer of a place does not constitute enrolment within the school, this only occurs on the first day of attendance.

Sixth Form Application for Two Year AS/A2 Courses

The school admits students into Years 12 and 13 provided that they have satisfied the necessary academic criteria.

- All applicants for Year 12 entry onto 2 Year courses should have a minimum of five GCSE grades at level C or above in order for their application to be considered suitable for entry to the school's Sixth Form.
- Students wishing to progress to Year 13 will be expected to have English and Maths at C or better.
- All students wishing to attend the Sixth Form are required to complete a formal application form [available from the Admissions Secretary at the school together with a prospectus if requested]
- Students applying to Year 12 from outside the school also have to fulfil the same academic criteria.
- For students applying from outside the school, the pupil admission limit is set at 50.
- In the event of more than 50 External Applicants the standard over-subscription criteria will apply.
- The fact that a student has been considered suitable for entry (i.e. meets the minimum grade level) to the school's Sixth Form does not necessarily guarantee them a place if the school is oversubscribed.

Additionally meeting the criteria for entry does not guarantee access to all courses. The school reserves the right to set higher standards of entry for some subjects, but will always seek to make suitable provision for those who have achieved the basic entry requirement of 5 GCSE's at C or better.

Over Subscription Criteria

In the event that there are more applications than there are places available in any one year then over-subscription criteria will be applied:-

- * 1. 'Looked After' children as defined by the Children's Act 1989 (subject to Care Orders and/or accommodated by the Doncaster Local Authority).
- * 2. All other children permanently residing within the formal catchment area of the school.
- * 3. Children who are living within the same family unit who are attending the school at the time of application, and who will also be on role at the school (excluding Sixth Form) at the point of admission.
- * 4. Children not resident in the formal catchment but who will have attended a current Pyramid school of The Hayfield School for the full academic year prior to admission. The current Pyramid schools are as listed in the Explanatory Notes.
- * 5. In the event that the Pupil Admission Limit is not reached after application of the above criteria (i.e. there are still places left), then distance to the school is used as the deciding factor for all other applications. Distance is measured by a straight line from the main foyer entrance door of the school to the main entrance door of the permanent residence. The application with the permanent residence closest to the school will be offered the place.

In the event that the Pupil Admission Limit is reached within any of the criteria above then distance to the school is applied as a tie-breaker.

- * NOTE: Please refer to the attached Explanatory Notes/Definitions at the end of this policy.

Waiting Lists/Refused Applications

The school does operate and maintain waiting lists for all years.

The waiting list for entry into any new Year 7 in September is established once administrative procedures have been completed following the formal formation of the new year group.

The administration of late applications and the waiting list (once established) regarding offers of place for the new Year 7 in any year after the formation of the Year Group, will be dealt with by the school direct and the LA informed accordingly.

Waiting lists are kept in strict rank order according to the application of the over subscription criteria. The school is statutorily not allowed to keep waiting lists in 'date of application form received' order. As and when places become available at the school the persons at the top of the waiting lists are duly offered places automatically.

Parents should be aware that their place on the waiting list is not fixed, and that they can move up or down according to the application of the over-subscription criteria as new applications are received. Periodically the Admissions Secretary will consult with each person on the waiting list to ascertain whether or not they wish to remain upon it.

In Year Applications:

In year applications outside the co-ordinated admissions round for a September Year 7 intake, are dealt with as swiftly as possible by the school. The process is co-ordinated by the LA in exactly the same manner and consideration given to applications by the Governors Admissions Committee. Parents do however need to be aware of additional constraints that are operative:

- Clearly there is more chance that a year group will be full and a refusal to admit would be "more normal" in an oversubscribed school.
- If a place is offered in-year formal acceptance will be required in the normal way and in addition there is an expectation that the place will be taken up (i.e. the child attend on the first day) by an agreed date or the offer may be withdrawn.
- All refused applicants in Year 7 - 11 will be added to the Waiting List according to the over-subscription criteria.

Right of Appeal:

- All refused applicants in Years 7 – 11, and external students applying to The Hayfield School Sixth Form, will be advised of a right of Appeal given a refusal of an offer of place.

Offers of Place:

It should be noted that once an offer has been made and accepted, the child must attend school within 10 school days of the acceptance date.

The school is unable to enter into any direct communication other than in writing in connection with the appeal.
